

ONE PRODUCT. MULTIPLE SOLUTIONS.™

ASV102 2.5 Gallons / 9.46 Liters

TRI-POWER[™] ADVANCED

With the development of TRI-POWER ADVANCED[™] Enzymatic Cleaner, United Biotech has developed the premier, ultra concentrated, one product triple enzymatic detergent. Our extensive knowledge of enzymes has enabled us to formulate a cleaning solution that provides the most comprehensive and thorough cleaning available for each step of the decontamination process. TRI-POWER ADVANCED[™] is the same clinically proven formula, now in an ultra concentrated form. United Biotech adheres to an Eco-Friendly vision, and all our products are greenworks[™] certified.
